

Competent Learner Model Conference

June 18, 2014

Join other CLMers for an exciting opportunity to:

- ☐ Hear about global CLM implementation projects
- ☐ Network with other leaders and coaches currently implementing CLM
- ☐ Deepen your understanding of CLM instructional design
- ☐ Interact with experts on sustainable implementation practices, elements of instructional design, generative instruction, and fluency building technology

WELCOME & OPENING REMARKS

WHERE IN THE WORLD IS CLM?

Vicci Tucci and panel of CLMers from around the world discuss implementation efforts, challenges and successes.

BREAK

Programming for Generativity via CLM

Janet Twyman and Vicci Tucci illustrate the key elements of generative instruction and how the CLM repertoires are designed to produce independent functioning in novel circumstances.

LUNCH & NETWORK

CONCURRENT SESSIONS

ATTAINING BEHAVIORAL FLUENCY USING PRECISION TEACHING AND THE CLM

Kirsten Yurich and Rick Kubina discuss the guiding principles of Precision Teaching and review steps for implementing fluency routines within instruction.

DESIGNING IMPLEMENTATION FOR SUSTAINABILITY

Michelle Duda describes the complex and integrated factors that lead to successful, scalable and sustainable implementation of evidence based practices.

SELECTING AND USING EDUCATIONAL APPS FOR QUALITY

Karen Mahon provides a hands-on workshop focusing on how to evaluate and integrate high quality instructional apps into the curriculum.

A FAMILY JOURNEY WITH CLM

The Weinand family will share their unique story of the impact of CLM on their lives.

CLOSING REMARKS
